Education

Rajeev Gandhi Memorial College of Engineering and Technology B.Tech. - Computer Science and Engineering (CGPA: 8.56 / 10) • Relevant Coursework: Aptitude, Reasoning, Statistics, Programming, Testing	2021 - 2025 Nandyal, Andhra Pradesh
Jawahar Navodaya Vidyalaya Senior Secondary (Percentage: 92)	2019 - 2021 Kadapa, Andhra Pradesh
Jawahar Navodaya Vidyalaya Secondary (Percentage: 77)	2017 - 2019 Kadapa, Andhra Pradesh

Projects

Sentiment Classifier Python • Engineered an algorithm to categorize positive and negative words in Twitter data; increased sentiment analysis accuracy by 45% and enhanced targeted marketing campaigns, boosting engagement rates by 30%
Water-Quality-Prediction-using-ANN-Model Flask, HTML • Designed and deployed a scalable RESTful API using Flask, achieving a 30% improvement in data retrieval speed.
Intelligent Cloud Platform for College Management Systems Google Cloud Platform, Apache Beam, Python, MySQL • Engineered a scalable batch dataflow pipeline utilizing Apache Beam (PCollection & PTransform abstractions) over GCP Dataflow to execute parallelized aggregation tasks.

Skills and Abilities

• Languages: Python, C, JavaScript, Java • Technologies: MYSQL Server, PySpark, React, Flask • Tools: Git Version Control, MS Office, Google Apps Script, Salesforce Developer, AWS (Certified Cloud Practitioner), Google Cloud • Concepts: Operating System, Cloud Computing, Shell Scripting

Achievements

• AWS Certified Cloud Practitioner: Successfully cleared the industry-standard certification for AWS Cloud fundamentals (2026). • Programming Excellence: Awarded an Honorary Mention by ENCIDE MACE in collaboration with IEEEEXTREME 18.0 (Region 10). • Technical Competitions: Secured 1st place in both Coding and Web Design competitions during on-campus technical events. • Graduate Aptitude Test in Engineering (GATE): Secured All India Rank 6226 in 2024 and 11838 in 2025.

Roles and Responsibilities

• Technical Adviser: Provided technical mentorship and strategic guidance to various student clubs on the college campus. • Club Leader (BIS): Led the Bureau of Indian Standards (BIS) club, promoting technical quality standards and coordinating club initiatives. • House Leader: Oversaw and managed 60+ students at Jawahar Navodaya Vidyalaya for a two-year term, ensuring operational discipline. • Volunteer: Assisted in the organization and logistics of RIPPLE 2k24, Engineers Day 2k24, RIPPLE 2k25, a prominent campus technical symposium.
--

Certifications

- **AWS Certified Cloud Practitioner** – Amazon Web Services (2026)
- **Salesforce Developer Internship** – Powered by Trailhead & SmartInternz in collaboration with APSCHÉ
- **Google Cloud & Kubernetes** – Foundational Skills acquired with FutureSkills Prime, Wipro, and Google Cloud Skills Boost
- **Microsoft Learn Cloud Skills Challenge** – Completed at Build 2024
- **Data Analysis with Python** – IBM in association with Coursera
- **Learning Excel: Data Analysis** – LinkedIn Learning
- **IEEEExtreme 17.0 Programming** – Participated in the 24-hour global hackathon
